Respected Sir,

Reference to your letter, dated 07/03/2016, we are pleased to be part of the Food and Climate justice forum and the consultation process of stakeholders to develop LAPA under GROW Campaign on October 15, 2015 for the district Multan.

We hereby, endorse the draft report of Local Adaptation Plan of Action and we are committed for best possible efforts towards the effective implementation of LAPA in terms of mass tree plantation, awareness drive against deforestation and involving youth in various activities.

We are grateful to our colleagues in Doaba Foundation/Indus Consortium-GROW Campaign that they facilitated us in the whole process of development of LAPA and its implementation.

We hope for a better coordination.
